Fairtrade Policy

This document refers to: The Fairtrade policy adopted by Nexus ICA

Aims

Nexus ICA aims to support the use and promotion of Fairtrade wherever possible.

Delivering the Policy

Nexus ICA staff are committed to:

- buying and using Fairtrade refreshment items where possible (specifically tea, coffee & sugar). At Nexus ICA events we will serve and sell Fairtrade tea and coffee, and other items when possible;
- serving Fairtrade Tea, Coffee and sugar at all internal meetings, events and external hire contracts;
- hearing students' comments on Fairtrade usage and implementing them wherever possible;
- advertising that Fairtrade products are used within our workplace.

We are also exploring the sourcing of Fairtrade cotton for our merchandise.
